Hello,

The assessments are \$300 bi-annual. There are no special assessments being discussed at this time. The dues cover pool, clubhouse, ponds, playground.

Thanks,

Cecilia,

I will be listing a home in Park Village.

Do you have the Realtor disclosure that talks about the amount of the dues, any special/proposed assessments, What the fees cover?

I went on the website Parkvillage.org and CAS's website and I could not find the information. Your help would be greatly appreciated.

Thank you
